16-17 days\* (IND)

Power booster for Univ dimmer switch FLUD14 Mounting type REG, material plastic, material quality thermoplastic, halogen-free, surface other, surface design not applicable, color blue, load type universal, connected load 300 ... 400W, nominal voltage 230V, power booster for dimmer switch FUD14/800W, Power MOSFET up to 400W. Standby loss only 0.1 watts. Modular installation device for mounting on DIN rail. FLUD14 power boosters can be connected to the FUD14/800W universal dimmer switch, which increases the switching capacity for one light by up to 200W, depending on the ventilation conditions, and by up to 400W for additional lights, per power booster. The two circuits for increasing the power can be executed simultaneously with several FLUD14. Supply voltage 230V. No minimum load required. Automatic electronic overload protection and over-temperature shutdown. The lamp type of a FLUD14 power booster can deviate from the lamp type of the universal dimmer switch FUD14/800W in the power increase circuit with additional lights. This makes it possible to mix capacitive loads and inductive loads. A ventilation distance of 1/2 module to the devices installed next to it must be observed.

### YOUR ADVANTAGES

**WORLDWIDE TRADE**  
Corporate video eibmarkt®

**99% CUSTOMER SATISFACTION**  
> 500,000 customers worldwide

**DHL TRACK & TRACE**  
Shipment tracking

**COMPLAINTS HANDLING**  
Obliging and 100% safely

**25 YEARS OF EXPERIENCE**  
In worldwide mail order

**ORDER LIVE CHAT**  
With order history

**SHORT DELIVERY TIME**  
Warehousing

**REFUND**  
Within 14 days

**DATA PROTECTION**  
Guarantee

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
