Combined arrester DEHNgate with 7/16 connection DGA L4 7 16 S Rated voltage DC 0V, maximum continuous voltage DC 0V, lightning impulse current (10/350 µs) 25kA, rated discharge current (8/20) 50kA, rated load current 0A, protection level 130V, frequency 380 ... 512MHz, connector/cable adapter mounting type, connection 1 7/16 connector, combination arrester in maintenance-free Lambda/4 technology with tuned frequency band. The arresters can also discharge high partial lightning currents. Remote feeding is not possible, since the arrester represents a galvanic short circuit for low-frequency signals. Alternative types with modified connection type available on request.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
