AMJ-S DD module Cat6A T568B J00029A4001 Version socket (jack), connector type RJ45 8(8), shielded, category 6A (IEC), suitable for stranded conductors, suitable for solid conductors, color silver, AWG range 22 ... 26, The new AMJ-S DD (Defined Disconnect) module offers users a simple way to protect expensive and mobile IT equipment with a LAN connection from damage. It releases the connection to a connected RJ45 connection cable when a certain tensile force is reached and thus protects against damage such as torn out contacts or loss of the RJ45 socket for the network connection. The fully shielded AMJ-S DD module for 10 Gigabit Ethernet is based on the transmission technology advantages of Telegärtner's tried and tested connection technology and offers cabling professionals unimagined possibilities in their daily cabling tasks. The outstanding features of the new AMJ-S DD module are its slim design in keystone format (19.3 x 14.7 mm) with die-cast zinc housing and the proven Telegärtner contact overbending protection. In combination with the integrated fine-level cable support and the 360° shield connection, the AMJ-S DD module is a real time saver during assembly. The IDC insulation displacement terminal in the new AMJ-S DD module guarantees reliable contacting with solid wire and stranded conductors. Another special feature of the AMJ-S DD module is its design capability: The AMJ-S DD module can easily be combined with covers from the switch ranges of all well-known manufacturers. Cat.6A (ISO/IEC) according to IEC 60603-7-51, Cat.6A (ISO/IEC) re-embedded tested according to IEC 60512-27-100, link certification: Class EA (ISO/IEC) according to ISO/IEC 11801, 10 Gigabit Ethernet compliant (IEEE 802.3an), contact overbending protection: >=750 mating cycles with RJ45/RJ11/RJ12 connectors, suitable for PoE+ in accordance with IEEE 802.3at, can be combined with design-capable AMJ-S Up/0 flex module holder with covers from various switch range manufacturers, integrated cable support for cable diameters up to 9 mm, universal, worldwide available installation dimension for mounting cutouts 19.3 x 14.7 mm, optically monitored testing of the RJ45 contact heights, AMJ-S DD: with integrated protection against damage to the Contacts by automatically releasing the plug connection, Cat.6A (ISO/IEC) according to IEC 60603-7-51, Cat.6A (ISO/IEC) re-embedded tested according to IEC 60512-27-100, link certification: Class EA (ISO/IEC) according to ISO/IEC 11801, 10 Gigabit Ethernet compliant (IEEE 802.3an), contact overbending protection: >=750 mating cycles with RJ45/RJ11/RJ12 plugs, suitable for PoE+ according...

### YOUR ADVANTAGES

**WORLDWIDE TRADE**  
Corporate video eibmarkt®

**99% CUSTOMER SATISFACTION**  
> 500,000 customers worldwide

**DHL TRACK & TRACE**  
Shipment tracking

**COMPLAINTS HANDLING**  
Obliging and 100% safely

**25 YEARS OF EXPERIENCE**  
In worldwide mail order

**ORDER LIVE CHAT**  
With order history

**SHORT DELIVERY TIME**  
Warehousing

**REFUND**  
Within 14 days
