Contact module with 2 switching elements 3SU1400-1AA10-1GA0 Number of changeover contacts 0 Number of contacts as NO contacts 1 Number of contacts as NC contacts 1 Rated operational current I_e at AC-15, 230 V 4A Design of the electrical connection screw connection Mounting type front mounting , Cascadable modules for actuation and signaling elements. Up to 3 modules can be plugged in next to each other and 2 contact modules in a row. Optionally as a contact module in screw/spring-loaded technology with opener/closer or as an LED module with different colors/voltages. Groove-free holes are sufficient as mounting holes, as 100% anti-twist protection is already integrated. Thanks to the consistently high degree of protection, the robust devices are suitable for industrial use and outdoor use. Even cleaning with a high-pressure jet is possible. Neither dust, oil nor aggressive alkalis can interfere with reliable operation. In addition to the standard wiring, the devices can also be connected to the controller via PROFINET, AS-Interface or IO-Link

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
