Pushbutton Pushbutton, 1NO+1NC 3SU1150-0BB50-1FA0 Number of command points 1, design of the button high, color of the button blue, hole diameter 22.3mm, width of the opening 29.5mm, height of the opening 16.2mm, momentary, number of contacts as NO contact 1, number of contacts as NC contact 1, number of contacts as changeover contact 0, design of the electrical connection other, with front ring, material of the front ring plastic, color of front ring chrome, degree of protection (IP) IP67/IP69K, degree of protection (NEMA) other, Pushbutton, 22 mm, round, metal, high-gloss, blue, pushbutton, elevated, momentary contact, with holder, 1NO+1NC, screw connection SIRIUS ACT pushbutton for switching and controlling electrical loads. Under the SIRIUS ACT brand name, Siemens offers a unique portfolio of commands - and signaling devices with global product approvals in four modern design series made of robust real metal and high-quality plastic. The innovative snap-on concept simplifies installation so much that only one manual and no special tools are required. Groove-free holes are sufficient as mounting holes, as 100% anti-twist protection is already integrated. Thanks to the consistently high degree of protection, the robust devices are suitable for industrial use and for outdoor use. Even cleaning with a high-pressure jet is possible. Neither dust, oil nor aggressive alkalis can disrupt reliable operation. In addition to the standard wiring, the devices can also be connected to the controller via PROFINET, AS-Interface or IO-Link. This reduces your wiring effort, minimizes sources of error and gains more flexibility. The graphic online configurator provides convenient support when selecting and ordering individual devices, housings and labels. Extensive documentation (e.g. manual, 3D data, connection diagram) is available. Available versions: several colours, illuminated/non-illuminated, with/without labeling, latching/momentary actuation, various push button and front ring heights. Note: Complete device, delivery includes holder and modules. SIRIUS ACT - Performance in Action for commands and reports. Simply assembled, simply strong, simply perfect.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
