Operating element 1-fold glass black 6340-825-101 KNX bus system, Powernet bus system, flush-mounted installation, with theft/dismantling protection, number of actuation points 1, with LED display, with inscription field, material glass, material quality other, surface untreated, surface finish glossy, color black, degree of protection (IP) IP21, freely programmable multifunction control element. For installation in the basic carrier 1x, 2x and 3x (6346/10-101, 6346/11-101 and 6346/12-101). Support of the KNX functions through an innovative color concept (yellow=lighting, blue=blinds, orange=RTR, magenta=scene and white=neutral/no function assignment) or standard red/green lighting. The attached symbol can be replaced with the symbols for lighting (6353/20-xxx), blinds (6353/30-xxx), RTR (6353/40-xxx) and scene (6353/50-xxx).

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
