16-17 days* (IND)

Garden energy distributor stone shape 4-fold 230 418 Number of sockets 4, Switching function without, Other material, Other material quality, Other surface, Design of the surface not applicable, Color natural, Width 250mm, Height 255mm, Depth 240mm, Suitable for protection class (IP) IP44, The 4-way energy distributor is made of polyraisin. The material is visually and haptically indistinguishable from a real stone. It can thus be integrated unobtrusively in the garden and blends harmoniously into the overall picture. On the back there is a 5m long supply line with a protective contact plug, with additional cut-outs to the left and right being provided for this. Behind the door at the front, the sockets are slightly offset inwards. Below the door there are 5 recesses for the wiring of the consumers to be connected.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
