Semiconductor contactor AC51 50A 40 degrees 3RF2450-3AC45 Rated control supply voltage U_s at DC 4 ... 30V, voltage type for actuation DC, rated operating current I_e at AC-1, 400 V 50A, suitable for series installation, number of auxiliary contacts as normally open contacts 0, number of auxiliary contacts as normally closed contacts 0, connection type main circuit other, number of normally closed contacts as main contacts 0, number of normally open contacts as main contacts 3, semiconductor contactor 3-phase 3RF2 AC 51 / 50 A / 40 °C 48-600 V / DC 4-30 V 3-phase controlled ring cable connection blocking voltage 1200 V SIRIUS 3RF24 semiconductor contactor for switching ohmic/inductive loads, e.g. B. from radiators or valves in a bottling plant. The devices switch wear-free and silently and are therefore ideal for noise-sensitive areas (offices, hospitals). They are extremely reliable even at high switching frequencies. Since the heat sink is already integrated, they can be used directly in the control cabinet. The compact design saves space on the top-hat rail. The semiconductor contactors can also be expanded for a variety of applications using the standardized 3RF29 function modules by simply clicking on them. The devices are approved worldwide (e.g. IEC and UL/CSA). The solid-state contactors are available as 1-phase or 3-phase devices. They are available for different powers and rated operating voltages. Designed for AC or DC operation, they are available with screw spring-loaded or ring cable lug connections. In addition to the 3RF29 function modules, control plugs and terminal covers are also available as accessories. Simple, efficient, always up to date - the SIRIUS modular system.

YOUR ADVANTAGES

WORLDWIDE TRADE
 Corporate video eibmarkt®

99% CUSTOMER SATISFACTION
 > 500,000 customers worldwide

DHL TRACK & TRACE
 Shipment tracking

COMPLAINTS HANDLING
 Obliging and 100% safely

25 YEARS OF EXPERIENCE
 In worldwide mail order

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
