Actuating element push button green 3SB2000-0AE01 color of the button green, number of command points 1, design of the lens other, hole diameter 16mm, width of the opening 19mm, height of the opening 8mm, design of the button flat, momentary contact, with front ring, material of the front ring plastic, colour Black front ring, degree of protection (IP), IP65 on the front, NEMA degree of protection, others on the front, pushbutton, 16 mm, round, plastic, green, pushbutton, flat SIRIUS 3SB2 pushbutton for switching and controlling electrical loads. The 3SB2 pushbuttons and indicator lights are modular built, proven in practice and suitable for industrial use. Due to their small design, they are particularly suitable for small control surfaces. They are highly functional, extremely robust and comply with the IEC/EN 60947-5-1 and 60947-5-5 standards. They can be installed without special tools and with a high packing density. Available versions: several colours, illuminated/non-illuminated, with/without inscription, latching/momentary actuation and different pushbutton heights. Note: Please order individual devices, holders and switching elements separately. 3SB2 - Space-saving, tried and tested and suitable for industrial use!

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
