16-17 days* (IND)

Decentralized sensor input 8-channel PL-SM8 bus system Powernet, other bus systems without, other version, flush-mounted installation type, number of inputs 8, Powerline sensor input with 8 channels. 53x43mm, 25mm deep, for mounting in 58mm switch boxes. 8 sensor inputs with internal low voltage. Stand-by loss only 0.5 watts. For controlling and switching at different points. Only use potential-free switching elements. Internal low voltage at the sensor inputs. There are two rotary switches on the front for address assignment: The left rotary switch determines the group address g with 16 alphabetic values from A to P. The right rotary switch determines the element address e with 16 numerical values from 0 to 15. Above it there is a slide switch Configuration switch. Position 0: 2 adjacent inputs each as direction buttons for UP/DOWN or ON/OFF. To the left of the rotary switches there is a red LED that shows all activities. Next to it is the reset button and to the right of it is a service pin. Functions according to the operating instructions. The connection terminals at the top are plug-in terminals for conductor cross-sections from 0.2mqm to 1.5mqm. The addresses of the 8 inputs can also be freely assigned using the SIENNA-Professional installation software. The socket strip on top with 9 strands with wire end sleeves is plugged in. 8 control inputs with internal low voltage.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).
** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.
*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
