Round cable cover hood with suspension FRH 60/1000 rt mE, shape=round, design=with suspension, material=plastic, material quality=polyvinyl chloride (PVC), length=1000 mm, width=60 mm, height=45 mm, suitable for cable diameters =60 mm, color=red, with imprint=no, FRH is a round cable cover hood with PVC-U attachment. This round hood is used for the safe laying of underground cables in the high and low voltage range, for telecommunications signal and control lines. The advantage lies in the reliable detection of lines and cables in the ground, as well as in the tension and non-slip connection. Production also possible from PE-HD, further cover widths available on request. Temperature resistance -5°C to +60°C

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
