## Combination arrester 1 DEHNvenCI - Combined arrester for power systems DVCI 1 255 FM

**Dehn** DVCI 1 255 FM 961205 4013364145115 EAN/GTIN

## 22319,05 INR excl. VAT\*\*

plus shipping

Combined arrester 1 DEHNvenCI DVCI 1 255 FM TN system type, TN-C system type, TN-CS system type, TN-S system type, TT system type, number of poles 1, lightning impulse current (10/350 µs) 25kA, maximum continuous voltage AC 255V, nominal voltage AC 230V, protection level 1.5kV, follow current extinguishing capability 50kA, specific energy (W/R) 156.25kJ/Ohm, max. conductor cross-section solid (single/stranded) 50mm<sup>2</sup>, max, remote signaling, optical signaling on the device, test class type 1, integrated back-up fuse, energy-coordinated protective effect to the end device, degree of protection (IP) IP20, single-pole combination arrester DEHNvenCI, type 1 according to EN 61643-11 based on spark gaps with integrated arrester back-up fuse. Maximum system availability thanks to RADAX Flow follow current limitation. Enables endpoint protection. To protect low-voltage consumer systems against overvoltages, even in the case of direct lightning strikes. Can be used according to the lightning protection zone concept at the interfaces 0A - 2.

## YOUR ADVANTAGES

© 1997-2024 eibmarkt.com GmbH - Kemmlerstrasse 1 - 08527 Plauen - Germany

eibabo® and eibmarkt® are registered trademarks of EIBMARKT® GmbH holding company (<u>www.eibmarkt.de</u>). eibabo® is a company of eibmarkt.com GmbH. eibmarkt.com GmbH is a 100% subsidiary of EIBMARKT® GmbH holding.

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
