Terminal D4/6 LNTP2 Connectable conductor cross-section, finely stranded without ferrule 0.2 ... 4mm², Connectable conductor cross-section, finely stranded with ferrule 0.2 ... 4mm², Connectable conductor cross-section, solid 0.2 ... 4mm², rated current In 30A, rated voltage 400V, version Electrical connection 1 screw connection, design of electrical connection 2 screw connection, connection position on the side, number of potentials 3, mounting type DIN rail TH35, width/grid dimension 17.8mm, height with lowest mounting type 51.5mm, length 87mm, end plate required, basic color grey, with PE Function, N-function possible, installation terminals with screw connection from the Solution series are available in widths of 6 and as a block of three in 17.8 mm. They offer an ideal solution for distribution cabinets in public buildings and meet the wiring and connection requirements of installations designed according to DIN VDE 0100 or DIN VDE 0108. Thanks to the compact design and multi-level terminal blocks, you save space in your control cabinets. ABB's screw connection technology has been developed to prevent loosening of connections due to vibration, shock or even accidental pulling on the cable. Various configurations of our installation clamps allow the distribution of continuity neutral neutral disconnect and protective earth circuits in a compact format. Thanks to the closed multiple circuit solution, up to 9 circuits can be combined on a single terminal block. The various installation terminals with screw connections cover a connection requirement of 0.2 - 4 mm².

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).
** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.
*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
