Sitor fuse link 80A, 690VAC G00, aR 3NE8020-1 size NH00, rated current 80A, rated voltage 690V, type of voltage AC/DC, rated breaking capacity 100kA, operational class aR (sub-range converter protection), design indicator front indicator, SITOR fuse link, with blade contacts, NH00, In: 80 A, aR, Un AC: 690 V, Un DC: 440 V, front indicator SITOR 3NE, 3NC semiconductor fuses protect power semiconductors from the effects of a short circuit. The SITOR fuse system from Siemens, as an important part of the SENTRON protective components for electrical installations, offers people effective device and system protection through safe shutdown in the event of an overload or short circuit. The area of application also includes frequency converters with fuses in the input and DC intermediate circuits, as well as UPS systems and soft starters for motors. The main features of the Siemens SITOR fuses are: 1. Super quick cut-off characteristics compared to conventional NH fuses. 2. Power semiconductors are also safely protected in the event of a short circuit. 3. The Siemens quality standard ensures very good characteristic curve fidelity. 4. SITOR cylinder fuses are IEC and UL approved and, for the most part, also CCC approved and can therefore be used worldwide. 5. Partially suitable for installation in NH fuse bases, in NH fuse switch disconnectors and switch disconnectors with fuses. For the safe, efficient electrical infrastructure in buildings and industry, Siemens offers an integrated portfolio of protective, switching, measuring and monitoring devices, distribution boards, switches and socket outlets.

### YOUR ADVANTAGES

**WORLDWIDE TRADE**  
 Corporate video eibmarkt®

**99% CUSTOMER SATISFACTION**  
 > 500,000 customers worldwide

**DHL TRACK & TRACE**  
 Shipment tracking

**COMPLAINTS HANDLING**  
 Obliging and 100% safely

**25 YEARS OF EXPERIENCE**  
 In worldwide mail order

**ORDER LIVE CHAT**  
 With order history

**SHORT DELIVERY TIME**  
 Warehousing

**REFUND**  
 Within 14 days

**DATA PROTECTION**  
 Guarantee

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
